New Dock/Lift Bylaw (quick reference)

- No one is Grandfathered, everyone must submit a application
- Application goes to a committee for approval (no Fees being collected until after approval from committee)
- Each Dock and Lift must get their own permit, can apply for all on one application but each will have their own fee. Must indicate on application how many applying for and provide all necessary info. including pictures or diagrams if possible for each.
- If you have a Registered Dock or Lift already, please indicate your registration No. on your application form.
- If approved, Fees will be recurring annually and due by May 31st yearly
- Everyone's application can only be for within the Subdivision they reside in (can not apply to be in a different subdivision).
- Dock's & Lift's presently located in front of Public Reserves with Public Beaches access will have to be relocated.
- Applicants with Lake Front and 1st Tear Back property will be given first consideration for a Dock or Lift in front of their property
