

## “A CANDLE LAKE LEGACY”

Needs your family history and stories to compile our Volume 2 to the original history book entitled “A Candle Lake Legacy - Fur, Fish and Forest”

Please make your family heritage and history a part of this history book, a wonderful memory keepsake. We are looking for submissions of family history from any and all past and present residents of the Resort Village of Candle Lake. This is a tremendous undertaking and we would love to see all residents remembered in this history book.

Some suggestions to include in your family history are:

- Your name, permanent place of residence, subdivision that you reside in or have a seasonal home
- Your family information, spouse/partner, family members, birth dates, parents or other family that may have grown up in the area
- Family history before/during retirement
- Community involvement
- Hobbies, interests, accomplishments
- Memorable experiences
- Future plans
- Family photos (at least one)
- Anything else important worthy of sharing in a history book
